About Us

OSC VOLUNTEER POLICY 2023-24

Volunteers are essential to the operation of the Okotoks Skating Club. The combined efforts of all our members ensure the successful facilitation of our events and activities. Hundreds of hours go into running our club and each member and family is expected to volunteer their time.

This year, each family registered in STARSkate and Competitive Skate is required to commit to completing 20 credits of volunteering. Families with skaters solely registered in the Pre-Junior program are required to commit to completing 10 credits of volunteering.

Note: Typically, 1 credit equals 1 hour of volunteering.

Skaters who join the club or change programs after December 31, 2023 will have their volunteer credits prorated for a partial season.

On the first registration of the season, families will see a Volunteer Commitment Fee added to their registration in the amount of \$200, however, this fee will NOT be charged at that time. If volunteer credits have been satisfied by June 30, 2024, no charge to your account will be made. If a family has not completed their required credits or chooses to pay the fee instead of volunteering, this fee will automatically be charged to their account on July 1, 2024.

During our regular season, the OSC will provide many volunteering opportunities with a variation of time commitments and requirements. Some of those roles include but are not limited to;

- Music / Ice Supervision
- Dress Sales
- Apparel Sizing/Fitting
- Test Days
- Competitions
- Casino
- Ice Show or Skater Showcase
- AGM/Banquet
- Board of Director Role
- OSC Committee Chair or Role

The OSC is committed to providing ample notice of available opportunities, full description of roles, the time commitment required and applicable credits per position. The OSC is also committed to providing members with plenty of opportunities to complete their credits and hope to also create a fun and safe community for our skaters and families.

The OSC will be using an online Signup app for all volunteering opportunities.

We are committed to providing volunteers with safe working conditions. All off-ice volunteers are covered by the General Liability insurance and the Skate Canada Injury Benefit at no charge; any on-ice volunteers must have a current Skate Canada membership.

HELMET USE POLICY

All Skate Canada member clubs and skating schools who offer a CanSkate program must ensure all CanSkate participants up to and including Stage 5 must wear a CSA approved hockey helmet while on the ice.

In general, any participant who lacks good control/balance when skating forward, backward and has difficulty stopping, as well as maneuvering around obstacles on the ice must wear a CSA approved hockey helmet.

This policy is enforced during all on-ice skating activities throughout the season for this level of skater. Face masks are not mandatory; however young skaters may benefit from the added protection.

Full Skate Canada Helmet Use Information is available on our website.

CODE OF CONDUCT - STARSKATE

Figure skating is a competitive and individualized sport, which requires safe and courteous behaviour from all participants, on and off the ice. OSC functions as a positive team environment and skaters are expected to encourage and support all team members.

Each skater is responsible for being aware of and practicing the rules of etiquette and safety noted below. All skaters registered for sessions at the Okotoks Skating Club are expected to exhibit the following behaviours at all times while training at practice sessions, and while representing our Club at Competitions.

I therefore pledge to be responsible for my words and actions and shall conform my behavior to this code of conduct:

1. I will be at my session on time and ready to learn.
2. I will come to my session with a plan (my training book, if applicable) and mindset of how this session will help me achieve my goals. I will do my best to keep moving constantly and if unsure of what to practice, I will refer back to my training plan.
3. I will try my best not to stand in the middle of the ice and if I need a break, I will move to the boards, and will be sure to look both ways before resuming skating.
4. I will try my best to focus on my goals and not distract others from their lessons, unless asking permission to leave the ice or in the case of an emergency.
5. If I must leave the ice early, or need a washroom break, I will get permission from an OSC coach.
6. I promise to demonstrate good sportsmanship, courtesy, consideration and respect towards others and that foul language, eye rolling, slamming of objects, abusive or aggressive behaviour, including bullying and kicking holes in the ice, is prohibited.
7. I promise to get up quickly after a fall, unless I am injured or unable to do so, knowing it is unsafe to remain down.
8. I understand I am a representative of the Okotoks Skating Club at my home club and at out-of-club events and I will do my best to represent our club with dignity and class.
9. I promise to treat all members of the Okotoks Skating Club coaching staff, parents, skaters, guests and arena staff with courtesy and respect.
10. I will remember that while I am training, I must learn to maneuver around other skaters and still
1. complete the skill(s). If I must call out for space, I will politely ask, or say “excuse me”, or “heads up”, knowing that my fellow skaters will do the same.
11. I promise to know and follow the Skater Priority Right of Way, to the best of my abilities:

Skater Priority Right of Way:

1. Soloist Performing their Program (with Music)
2. Skaters in Lesson with a Coach
3. Skaters in a Jump or Spin Entrance

General Rules for Skating Sessions:

- No food, drink (other than water) or gum chewing is permitted on the ice.
- Water bottles are acceptable but must be left at the boards. Glass bottles are prohibited.
- Use of cell-phones (except for use by music playing, or coach video purposes) is prohibited during on-ice and off-ice sessions.
- Dressing room space is a privilege and participants are expected to be mindful of the space they take up. Skaters are expected to clean up after themselves and be respectful of the area, others personal belongings and the rules of the facility.
- While parents of skaters 12 are encouraged to stay in the arena while their skater is on the ice, it is not required as skaters will be under coaches supervision.

Failing to conform my conduct to these guidelines may result in being dismissed from the session or suspended without refund.

I hereby agree that if I fail to conform my conduct to this Code of Conduct, I will be subject to disciplinary action including, but not limited to the following depending on the severity of the offense:

1. First Offence - Verbal warning from OSC Coach or Board member, parent informed of warning. A copy of the Code of Conduct will be given to the skater to review again.
2. Second Offence - Letter of warning from President to Skater stating the areas of conduct that are undesirable to the Okotoks Skating Club.

PARENT CODE OF CONDUCT

Parents/guardians have an enormous influence on skaters' experiences in this sport and because of that, all parents/guardians of a participant registered with the Okotoks Skating Club, and as associate members of Skate Canada, are expected to exhibit the following behaviours.

As a parent/guardian of a skater at the OSC, I therefore pledge to be responsible for my words and actions and shall conform my behavior to this code of conduct:

1. At all times, I promise to treat all individuals with dignity, courtesy and respect, including but not limited to skaters, coaches, officials, volunteers, other parents, and all other individuals that are part of the club, skating school, Section or Skate Canada.
2. I will model positive and responsible behaviour at all times to my participant and their coach(es) and I will communicate to my participant(s) that they are expected to do the same.
3. I will assume the responsibility of my skater(s) on ice conduct, apparel and attitude.
4. I will refrain from any behaviour, or comments, which are profane, insulting, harassing, sexist, racist, abusive, disrespectful or otherwise offensive without hostility or violence especially against or directed at any member of OSC.
5. I will emphasize the importance of values like sportsmanship, respect, cooperation, healthy competition and teamwork to my participant(s) with their fellow skater(s) and parents.
6. I will do my best to instill confidence in my participant(s)' ability and skill development, and will do my best to avoid comparing my skater(s) with others.
7. Myself, along with the professional coach and the athlete, shall be considered members of a team whose main concern is the child's overall progress and development. **I promise to respect and trust that the professional coach is responsible and empowered for the on-ice and off-ice development of my athlete(s).**

10. I will be respectful to the facilities and to others using these facilities. I will ensure that any children who are watching, are supervised, cleaned up after and are not distracting to the skaters or other spectators.
11. I will never provide alcohol or drugs to minors in an OSC and/or Skate Canada environment and promise to never provide or advocate the use of performance enhancing drugs or substances.

12. I promise to adhere to the policies, procedures, rules, standards, and ethics of OSC and Skate Canada at all times.

13. **I promise to openly support and uphold this code of conduct policy and take action and steps to ensure other parents follow and uphold this code of conduct policy.**

In the instance there is an issue or complaint with any member of the OSC team, I agree to follow the 24-hour rule, which states:

- When an issue occurs and a party has a resulting complaint to make or issue to be resolved, they **MUST wait 24 hours** before acting.
- After the 24-hour time period, they may put the issue in writing and submit it to the appropriate party.

No matter the issue, it is very important that all parties involved take the full 24 hours to remove or decrease the emotional element so that the issue can be resolved quickly, and in a civilized manner that will be to everyone's satisfaction.

Failing to conform my conduct to these guidelines may result in my skater(s) being dismissed from the session or suspended without refund.

I hereby agree that if I fail to conform my conduct to this Code of Conduct, I will be subject to disciplinary action including, but not limited to the following depending on the severity of the offense:

1. First Offence - Verbal warning from OSC Coach or Board member, parent informed of warning. A copy of the Code of Conduct will be given to the parent to review again.
